## Educational Assistance Fund

The General Steel Corporation, in partnership with The Mike Gallagher Show Charitable Foundation, established this Educational Assistance Fund with an initial donation of \$33,000.00 in January, 2005. The purpose of the fund is to assist the children of men and women who have died while bravely serving in the United States Armed Forces, fighting the war on terror. Each award will be determined based on individual need and may be used for tuition, books, and/or room and board at a two or four-year college/university that is accredited by recognized accreditation agencies and offers an associate or bachelor's degree upon completion of the course of study offered. Awards may be renewed depending on available funds.
